HR 166, A RESOLUTION recognizing March as Sexual Assault Awareness Month and honoring Kentucky's 13 regional rape crisis centers.

WHEREAS, Kentucky has a shockingly high rate of sexual violence that must be brought into the public's focus, because it cannot be reduced until it is openly addressed; and

WHEREAS, according to national surveys, one in six women and one in 33 men have been victims of an attempted or completed rape, and over 175,000 women in Kentucky have been forcibly raped at some point in their lives; and

WHEREAS, every Kentuckian is directly or indirectly affected and impacted by sexual violence; and

WHEREAS, emotional and physical scars resulting from sexual violence are often severe and long lasting; and

WHEREAS, it is important to recognize the strength, courage, and challenges faced by victims and survivors of sexual violence and their families and friends as they struggle to cope, and to acknowledge that not all victims of sexual violence survive at the time of assault or survive the horrific long-term trauma that often occurs in the wake of sexual violence; and

WHEREAS, a coalition of rape crisis centers, known as the Kentucky Association of Sexual Assault Programs, has emerged to directly confront rape and sexual assault with the cooperation of law enforcement agencies, churches, health care providers, military officials, juvenile justice professionals, and other helping professionals from Kentucky's diverse communities; and

WHEREAS, last year, Kentucky's regional rape crisis centers responded to approximately 8,000 crisis calls, provided over 18,000 counseling sessions, performed more than 7,900 advocacy services; and provided over 5,600 educational programs for more than 185,000 Kentuckians; and

WHEREAS, it is important to recognize the compassion and dedication of the individuals involved in these efforts, to applaud their commitment, and to increase public awareness of this significant problem; and

WHEREAS, raising awareness about societal myths and behaviors that perpetuate rape and providing information and prevention strategies to all citizens is critical to the health and well-being of Kentucky's citizens;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. This honorable body recognizes March as Sexual Assault Awareness Month in Kentucky and applauds Kentucky's 13 regional rape crisis centers for their many years of dedicated efforts to assist victims and for their efforts to raise awareness of sexual assault.

The petition shall designate both the smaller precinct and the larger precinct with which it is to be included, the type of voting machine or machines to be used, and whether supplemental paper ballots are to be used. - (2) If the petition submitted pursuant to subsection (1) of this section is approved by the State Board of Elections, the election shall be conducted according to the following provisions:

 - (c) A separate set of elections forms and reports required by this chapter and the State Board of Elections shall be

maintained for each precinct.

It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

- (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

based units; and whose contributions to the Lake Cumberland area of this Commonwealth are of the greatest value to all those children and families whose lives are certainly enhanced by participation in this vital educational endeavor. Among those contributing to the success of the Lake Cumberland Head Start and Early Head Start Programs are Portia Phelps, who has served as its Director for twenty-three years and been with the Agency for thirty-five years; Tony Kerr, who serves as the Chairman of the Policy Council which oversees the programs; and Bruce Brown, the Executive Director of the Lake Cumberland Community Action Agency which administers the Head Start Programs. Inasmuch as the many interested and concerned individuals, as well as the students, teachers and staff of the Lake Cumberland Head Start Programs have put forth great effort to level the educational playing field for all the children of the community, the members of this august body are delighted to join with Representative Jeffrey Hoover in praising their successful implementation of this program and extending a warm welcome to those who have joined us as welcome guests in the House Chamber during the 2007 Regular Session of the Kentucky General Assembly. In all mines the quantity of air passing through the last open crosscut between the intake and return in any pair or sets of entries shall be not less than nine thousand (9,000) cubic

feet of air per minute and as much more as is necessary to dilute and render harmless and carry away flammable and harmful gases. All working faces from which coal is being cut, mined, or loaded in a working section between the intake and return airway entries shall be ventilated with a minimum quantity of three thousand (3,000) cubic feet of air per minute and as much more as is necessary to dilute and render harmless and carry away flammable and harmful gases. The quantity of air reaching the last crosscut in pillar sections may be less than nine thousand (9,000) cubic feet of air per minute if at least nine thousand (9,000) cubic feet of air per minute is being delivered to the intake of the pillar line. The air current shall under any conditions have a sufficient volume and velocity to reduce and carry away smoke from blasting and any flammable or harmful gases.

- (4) All mines shall maintain at least nine thousand (9,000) cubic feet of air per minute at the points mentioned in subsection (3) of this section. The commissioner shall have the authority to require additional air in any mine when he deems it necessary for the safety of the employees.
- (5) When the air from a split has passed through and has ventilated all the working places in an air split of a mine it shall then be designated as return air. Return-air courses shall not be designated as primary escapeways.
- (6) As working places advance, breakthroughs for air shall be made not more than ninety (90) feet apart, except that where longwall or modern systems of mining are used the commissioner or his authorized representative may approve a greater distance between breakthroughs or the method of ventilating such longwall or modern systems of mining. If any breakthroughs between intake and return airways are not required for the passage of air or the travel of equipment, they shall be closed with stoppings. All permanent stoppings shall be substantially built with suitable incombustible or fire resistant material subject to the approval of the mine inspector so as to keep the working places well ventilated. All brattice cloth and ventilation tubing shall be flame resistant. Doors on the main haulways shall be avoided where practicable, and overcasts, built of concrete or other suitable material and of ample strength, shall be adopted. Where doors are used they shall be built in a substantial manner, and shall be hung so as to close automatically when unobstructed.
- (7) In a mine where methane can be found to an extent of one percent (1%) or more on the return of any one (1) split, the inspector, with the approval of the commissioner may require the mine to be ventilated by the exhaust system, requiring the haulage roads and all feed wires to be located on the intake air and the electrical system to be so arranged that no wires carrying electrical current shall be on return air. A period of not more than ninety (90) days from date of notification shall be allowed to make the changes required.
- (8) The ventilation plan shall require all fans utilized in the ventilation plan to be in continuous operation unless the fan must be turned off for repairs or maintenance, during which time all persons must be withdrawn from the mine. After the mine fan is restarted following the completion of repairs or maintenance, it must be in operation for a sufficient period to ensure air quality and the equalization of the mine atmosphere~~[for a sufficient period to ensure air quality and equalization of the mine atmosphere prior to the entry of workers into underground areas]~~.

Section 13. KRS 352.030 is amended to read as follows:

- (1) As many as sixty (60) persons may work in the same air current or split, and with the approval of the mine inspector and the commissioner, as many as eighty (80) persons may work in the same air current. Each active section in a mine shall be ventilated by a separate split of intake air and shall not come from the beltline entry. Any underground coal mine that is using the beltline entry to ventilate the mine as of the effective date of this Act shall have one hundred eighty (180) days to provide ventilation for the mine through an entry other than the beltline entry. Every mine, and all portions thereof, shall be ventilated by one (1) or more currents of air, which shall contain not less than nineteen and one-half percent (19.5%) of oxygen, nor any dangerous quantities of flammable gas, nor any harmful amount of poisonous gases or dust, when the current of air enters into each split. The ventilation shall be sufficient to prevent methane accumulations, so far as practicable, and to keep the methane percentage in the return of any split to not more than two percent (2%).
- (2) The ventilating current shall be circulated through the haulageways, travelways, and airways to reach all portions of the mine, except sealed sections; and it shall be circulated through the entries and rooms around the ends of line brattice and along pillar lines. It shall be conducted to the last breakthrough, or to the working faces if required, by means of stoppings, check doors, curtains, and brattice that may be necessary or required, in order to dilute, render harmless, and carry away the noxious and dangerous gases, smoke, and dust liberated therein, and to supply a sufficient quantity of ventilation for all emergencies. The ventilating current in the area of a mine's belt entries shall be directed to an air return before the ventilating current reaches the face area~~[, unless the department, under certain conditions issues a permit for belt air to be used at the coal face. The department shall render a final written decision within sixty (60) calendar days of receipt of the permit application]~~.
- (3) When mine ventilation, formerly satisfactory and adequate, becomes deficient in quality or quantity, the department shall have authority to order improvement of the ventilation.
- (4) No licensee, superintendent, or mine foreman shall permit any person to work at a place where sufficient ventilation cannot be maintained, except persons employed to make the places of employment safe in compliance with the requirements of this chapter, and while repair work necessary to comply with the requirements is in progress no person shall be permitted to enter that part of the mine affected except those actually employed in doing the repair work. The repair work shall be done under the constant supervision of a certified official designated by the mine foreman.
- (5) Each licensee shall adopt a plan which shall provide that when any mine fan stops, immediate action shall be taken by the

licensee or his agent:

- (a) To withdraw all persons from the working sections;
- (b) To cut off the power in the mine in a timely manner;
- (c) To provide for restoration of power and resumption of work if ventilation is restored within a reasonable period, of not more than fifteen (15) minutes, as set forth in the plan after the working places and other active workings where methane is likely to accumulate are reexamined by a certified person to determine if methane in amounts of one percent (1%) or more exists therein; and
- (d) To provide for withdrawal of all persons from the mine if ventilation cannot be restored within a reasonable time, of not more than fifteen (15) minutes.

The plan and revisions thereof approved by the commissioner or his authorized representative shall be set out in printed form and a copy shall be furnished to the commissioner or his authorized representative.

Section 14. KRS 352.090 is amended to read as follows:

- (1) All unused workings and abandoned parts of mines shall be protected by safeguards that will prevent the accumulation or overflow of gas, and all avenues leading thereto shall be so arranged and conducted as to give warning to all persons of the danger of entering, and notice shall be posted warning all unauthorized persons not to enter these parts of the mine. If the area cannot be adequately ventilated, and examined, or evaluated it shall be sealed in a timely manner.
- (2) No person, except persons authorized to make examination thereof, shall enter any unused or abandoned part of a mine after the warning has been posted.
- (3) Where the practice is to seal abandoned workings, the sealing shall be done in accordance with a mine seal construction plan submitted to the Office of Mine Safety and Licensing. The construction of mine seals according to the mine seal construction plan shall be certified by the mine superintendent after inspection and certification by a licensed engineer. Seal construction shall be done immediately in an effective manner with noncombustible material. In every sealed area, one (1) or more of the seals shall be fitted with a pipe and cap or valve to permit the gases behind the seals to be sampled and also to provide a means of determining any existing hydrostatic pressure. When required by the mine inspector and commissioner, drill holes shall be extended from the surface to the sealed area, or vent pipes shall be extended from the sealed area to a return air course. Sufficient ventilation shall be provided at each seal to prevent dangerous gases from accumulating.

 - (c) The storage unit locations shall have reflective signs that read "SELF-RESCUERS" conspicuously posted as to be visible from the primary and secondary escapeways. ~~Intrinsically safe strobe light devices also shall be attached to the storage unit. The strobe light devices may operate continuously or shall be capable of activation in the event of a mine emergency.~~
 - (d) In addition to the requirements set forth in this section for self-contained self-rescuers, the mine operator shall provide for each person who is underground at least one (1) additional self-contained self-rescuer device which provides protection for a period of one (1) hour or longer, to cover all persons in the mine.

All preoperational checks shall be recorded by the equipment operator and kept with the equipment and, if a hazard is found to exist on any piece of equipment that would render it unsafe to operate, the hazardous condition shall be reported to the mine foreman or mine superintendent. All appropriate repairs shall be made before the equipment is put back into operation, except for moving the equipment to a safe place for repairs. The record book of all hazardous conditions and repairs made shall be kept in the control of the mine foreman or mine superintendent at all times.

Section 18. KRS 352.150 is amended to read as follows:

"Section 15. KRS 15.520 is amended to read as follows:

- (1) In order to establish a minimum system of professional conduct of the police officers of ~~{local}~~ units of government of this Commonwealth, the following standards of conduct are stated as the intention of the General Assembly to deal fairly and set administrative due process rights for police officers of the ~~{local}~~ unit of government and at the same time providing a means for redress by the citizens of the Commonwealth for wrongs allegedly done to them by police officers covered by this section:
 - (a) Any complaint taken from any individual alleging misconduct on the part of any police officer, as defined herein, shall be taken as follows:
 1. If the complaint alleges criminal activity on behalf of a police officer, the allegations may be investigated without a signed, sworn complaint of the individual;
 2. If the complaint alleges abuse of official authority or a violation of rules and regulations of the department, an affidavit, signed and sworn to by the complainant, shall be obtained;
 3. If a complaint is required to be obtained and the individual, upon request, refuses to make allegations under oath in the form of an affidavit, signed and sworn to, the department may investigate the allegations, but shall bring charges against the police officer only if the department can independently substantiate the allegations absent the sworn statement of the complainant;
 4. Nothing in this section shall preclude a department from investigating and charging an officer both criminally and administratively.
 - (b) No threats, promises, or coercions shall be used at any time against any police officer while he or she is a suspect in a criminal or departmental matter. Suspension from duty with or without pay, or reassignment to other than an officer's regular duties during the period shall not be deemed coercion. Prior to or within twenty-four (24) hours after suspending the officer pending investigation or disposition of a complaint, the officer shall be advised in

writing of the reasons for the suspension;

- (c) No police officer shall be subjected to interrogation in a departmental matter involving alleged misconduct on his or her part, until forty-eight (48) hours have expired from the time the request for interrogation is made to the accused officer, in writing. The interrogation shall be conducted while the officer is on duty. The police officer may be required to submit a written report of the alleged incident if the request is made by the department no later than the end of the subject officer's next tour of duty after the tour of duty during which the department initially was made aware of the charges;
- (d) If a police officer is under arrest, or likely to be arrested, or a suspect in any criminal investigation, he shall be afforded the same constitutional due process rights that are accorded to any civilian, including, but not limited to, the right to remain silent and the right to counsel, and shall be notified of those rights before any questioning commences. Nothing in this section shall prevent the suspension with or without pay or reassignment of the police officer pending disposition of the charges;
- (e) Any charge involving violation of any {local} unit of government rule or regulation shall be made in writing with sufficient specificity so as to fully inform the police officer of the nature and circumstances of the alleged violation in order that he may be able to properly defend himself. The charge shall be served on the police officer in writing;
- (f) When a police officer has been charged with a violation of departmental rules or regulations, no public statements shall be made concerning the alleged violation by any person or persons of the {local} unit of government or the police officer so charged, until final disposition of the charges;
- (g) No police officer as a condition of continued employment by the {local} unit of government shall be compelled to speak or testify or be questioned by any person or body of a nongovernmental nature; and
- (h) When a hearing is to be conducted by any appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes, the following administrative due process rights shall be recognized and these shall be the minimum rights afforded any police officer charged:

1. The accused police officer shall have been given at least seventy-two (72) hours notice of any hearing;
2. Copies of any sworn statements or affidavits to be considered by the hearing authority and any exculpatory statements or affidavits shall be furnished to the police officer no less than seventy-two (72) hours prior to the time of any hearing;
3. If any hearing is based upon a complaint of an individual, the individual shall be notified to appear at the time and place of the hearing by certified mail, return receipt requested;
4. If the return receipt has been returned unsigned, or the individual does not appear, except where due to circumstances beyond his control he cannot appear, at the time and place of the hearing, any charge made by that individual shall not be considered by the hearing authority and shall be dismissed with prejudice;
5. The accused police officer shall have the right and opportunity to obtain and have counsel present, and to be represented by the counsel;
6. The appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes shall subpoena and require the attendance of witnesses and the production by them of books, papers, records, and other documentary evidence at the request of the accused police officer or the charging party. If any person fails or refuses to appear under the subpoena, or to testify, or to attend, or produce the books, papers, records, or other documentary evidence lawfully required, the appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes may report to the Circuit Court or any judge thereof the failure or refusal, and apply for a rule. The Circuit Court, or any judge thereof, may on the application compel obedience by proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from the court;
7. The accused police officer shall be allowed to have presented, witnesses and any documentary evidence the police officer wishes to provide to the hearing authority, and may cross-examine all witnesses called by the charging party;
8. Any police officer suspended with or without pay who is not given a hearing as provided by this section within sixty (60) days of any charge being filed, the charge then shall be dismissed with prejudice and not be considered by any hearing authority and the officer shall be reinstated with full back pay and benefits; and
9. The failure to provide any of the rights or to follow the provisions of this section may be raised by the officer with the hearing authority. The hearing authority shall not exclude proffered evidence based on failure to follow the requirements of this section but shall consider whether, because of the failure, the proffered evidence lacks weight or credibility and whether the officer has been materially prejudiced.

- (2) Any police officer who shall be found guilty by any hearing authority of any charge, may bring an action in the Circuit Court in the county in which the {local} unit of government may be located to contest the action of that hearing authority, and the action shall be tried as an original action by the court.

- (3) The judgment of the Circuit Court shall be subject to appeal to the Court of Appeals. The procedure as to appeal to the Court of Appeals shall be the same as in any civil action. As the provisions of this section relate to a minimum system of professional conduct, nothing herein shall be construed as limiting or in any way affecting any rights previously afforded to police officers of the Commonwealth by statute, ordinance, or working agreement.
- (4) The provisions of this section shall apply only to police officers of ~~local~~ units of government who receive funds pursuant to KRS 15.410 through 15.992."

SB 14, AN ACT relating to elections and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 117.255 is amended to read as follows:

- (1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.
- (2) Except for those voters who have been certified as requiring assistance on a permanent basis, no voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, because of blindness, other physical disability, or an inability to read English, he is unable to vote without assistance. The oath shall be upon a voter assistance form prescribed by the State Board of Elections. Any person assisting a voter shall complete the voter assistance form.
- (3) Upon making and filing the oath with the precinct clerk, the voter requiring assistance shall retire to the voting machine or ballot completion area with the precinct judges, and one (1) of the judges shall, in the presence of the other judge and the voter, operate the machine or complete the ballot as the voter directs. A voter requiring assistance in voting may, if he prefers, be assisted by a person of his own choice who is not an election officer, except that the voter's employer, an agent of the voter's employer, or an officer or agent of the voter's union shall not assist a voter.
- (4) The precinct election clerk shall swear a person assisting a voter in voting to operate the voting machine or complete the

ballot in accordance with the directions of the voter, and the person sworn shall enter the voting booth or ballot completion area and operate the machine or complete the ballot for the voter as the voter directs.

- (5) A voter who requires voting assistance on a permanent basis because of blindness or other physical disability may apply to the county board of elections for certification. Application may be made when registering to vote or completing the voter assistance form by indicating that the reason for obtaining assistance is permanent. The county board of elections shall determine whether the applicant requires assistance on a permanent basis. The county board of elections shall notify the county clerk of persons certified as requiring permanent voting assistance and the county clerk shall enter the certification on the voter's registration record. The State Board of Elections shall indicate on the precinct roster of voters those voters who are certified to receive assistance permanently without signing the voter assistance form at the precinct.
- (6) "Voting booth" or "ballot completion area" means an area in which a voter casts his vote or completes his ballot which is designed to insure the secrecy of the vote. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific reason that requires him to receive assistance.
- (7) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it, except that those voters who because of a disability need extra time to cast a ballot shall be given a reasonable amount of time to vote.
- (8) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.
- (9) If the machine is so constructed as to require adjustment after one person has voted before another person may vote, the judges of election shall adjust it after each person has voted.
- (10) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.
- (11) If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.
- (12) The election sheriff shall be responsible for reporting violations of this section.

Section 2. Whereas it is necessary to update election statutes in a timely manner before the primary election, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the Department for Local Government pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

- (4) Upon publication of the annual consumer price index by the United States Department of Commerce, the Department for Local Government shall fix the salary of the county judge/executive, county clerk, jailer who operates a full service jail, and sheriff at an annual rate of salary to which the county official is entitled pursuant to the increase in the Consumer Price Index and the salary schedule contained in this section. This salary determination shall be retroactive to the preceding January 1.
- (5) Notwithstanding subsection (9) or any other provision contained in this section, no county official holding office on July 15, 1998, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 15, 1998.
- (6) In addition to the step increases based on service in office, each officer shall be paid an annual incentive of one hundred dollars (\$100) per calendar year for each forty (40) hour training unit successfully completed, based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If an officer fails, without good cause as determined by the commissioner of the Department for Local Government, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. Each training unit shall be approved and certified by the Department for Local Government. No officer shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each officer shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. Each annual incentive payment shall be adjusted by the Department for Local Government on an annual basis for any increase or decrease in the consumer price index in the same manner as salaries are adjusted as described in subsection (4) of this section. The Department for Local Government shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.
- (7) Except in counties that contain an urban-county form of government, justices of the peace who serve on fiscal courts, county commissioners, and jailers who operate life safety jails, jailers who are part of a transportation plan, or jailers who act as court bailiffs shall also be eligible for the training incentive payments in accordance with subsection (6) of this section.
- (8) The provisions of this section shall not apply to a county judge/executive in a county which has established a consolidated local government pursuant to KRS Chapter 67C.
- (9) If an elected official identified in subsection (1) of this section resigns on or after the effective date of this Act, begins receiving a retirement allowance, and is reemployed within six (6) months of his or her initial retirement date to the same county office, that county official:
- (a) Shall be paid in accordance with Step 1 of the salary schedule set out in subsection (3) of this section, regardless of accumulated years of experience prior to his or her retirement;
- (b) Shall not be advanced beyond Step 1 of the salary schedule for the remainder of his or her term in office;
- (c) Shall not be eligible to participate in a group health insurance plan provided by the county; and
- (d) Shall not contribute to a second retirement account as provided for in KRS 61.637.

Section 2. KRS 61.637 is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired

member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

- (2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4)
 - (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;
 - (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;
 - (c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:
 1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
 2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
 3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
 4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;
 5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- (6)
 - (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and
 - (b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.
- (7)
 - (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.
 - (b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. If the member is eligible for retirement, the member's service and creditable compensation earned as a result of his or her reemployment shall be used in the calculation of benefits, except that the member's final compensation shall not be

less than the final compensation last used in determining his or her retirement allowance. The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.

- (8) A retired member or his employer shall notify the retirement system if he has accepted employment with an agency that participates in the retirement system from which the member retired.
- (9) If the retired member is under a contract, the member shall submit a copy of that contract to the retirement system, and the retirement system shall determine if the member is an independent contractor for purposes of retirement benefits.
- (10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.
- (11)
 - (a) If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his retirement and the member shall repay to the retirement system all benefits received for the month.
 - (b) A retired member of the County Employees Retirement System who after initial retirement is hired by the county from which the member retired shall be considered to have been hired by the same employer.
- (12)
 - (a) If a hazardous member who retired prior to age fifty-five (55), or a nonhazardous member who retired prior to age sixty-five (65), is reemployed within six (6) months of the member's termination by the same employer, the member shall obtain from his previous and current employers a copy of the job description established by the employers for the position and a statement of the duties performed by the member for the position from which he retired and for the position in which he has been reemployed.
 - (b) The job descriptions and statements of duties shall be filed with the retirement office.
- (13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:
 - (a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's termination.
 - (b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began.
 - (c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.
 - (d) Except as provided in subsection (7) of this section and Section 1 of this Act, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account.
 - (e) Upon termination, the retired member shall be entitled to benefits payable from his second retirement account.
- (14)
 - (a) If the retirement system determines that the retired member has not been reemployed in a position with the same principal duties as the position from which he retired, the retired member shall continue to receive his retirement allowance.
 - (b) If the position is a regular full-time position, the member shall contribute to a second member account in the retirement system.
- (15)
 - (a) Except as provided by Section 1 of this Act, if a retired member is reemployed at least one (1) month after initial retirement in a different position, or at least six (6) months after initial retirement in the same position, and prior to normal retirement age, the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.
 - (b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.

The copies of the rules and amendments shall be distributed and posted in the manner prescribed within three (3) days after adoption.
- (2) The rules in addition to other matters shall specifically provide for and cover the following:

 - (c) A requirement that police officers have five (5) years of service as police officers before being eligible for promotion to the rank of sergeant;
 - (d) Provision for open, competitive, written, oral, and other mental and physical examinations to determine the relative fitness of all candidates for original appointment and for promotion;
 - (e) A requirement of public notice of all examinations to be given by the merit board;
 - (f) Organization and meetings of the board; and
 - (g) Procedure and conduct of public hearings.
- (3) The board, with the approval of the mayor, shall employ a chief examiner who shall be professionally qualified and experienced in the field of testing and who shall formulate, give, grade, and administer all written or other examinations as required by the board.
- (4) Physical fitness for promotion shall be presumed unless certified to the contrary by the chief of police who shall supply the board with medical records of the disability.
- (5) At least ninety (90) days' notice shall be given before a promotional examination is conducted.
- (6) Promotional tests shall be graded, as determined by the board, to include written, oral, and other examination scores. In addition, seniority~~[in grade]~~, not to exceed ten percent (10%) of a candidate's final evaluated rating, shall be awarded for each year of service~~[after five (5) full years of service]~~. The results of the written, oral and other examinations shall be combined with seniority to determine the applicant's final evaluated ratings. If the number of candidates exceeds the number of positions in the rank for which the candidates are being tested, the chief examiner may set a cut-off score on any of the tests, excluding seniority, that candidates must meet or exceed in order for them to progress in the selection process. The cut-off score shall be set such that the number of candidates equals one-half (1/2) the number of positions in the rank for which the candidates are being tested, that number to be rounded up, at the time of the posting. If ties exist at the cut-off score, individuals having tied scores shall progress in the selection process~~[rating]~~.

- (8) The chief examiner shall compile the results of all examinations. Upon completion of grading of examinations, candidates shall be informed by mail of the final evaluated rating attained and their individual ranking on the eligibility list. An applicant may, by appointment, discuss his or her examination results within the offices of the chief examiner during business hours at any time when such review will not interfere with the work of the board. Such review must be requested within ten (10) calendar days following the establishment of the eligibility list. The board shall make examination questions and answers available for inspection by the applicant upon the filing of a written challenge.
- (9) In filling promotional vacancies, the chief of police shall select from not more than five (5) candidates graded highest on the appropriate eligibility list. The board shall determine the justification for not promoting a candidate with the higher evaluated rating who has been certified for promotion four (4) times. If the board determines that the candidate's nonpromotion is unjustified or unsupported by the evidence, the candidate shall be promoted. The certified rank list for promotions shall be valid for two (2) years and shall not be extended. All promotional vacancies shall be filled within sixty (60) days of the vacancy.

The Committee on Health and Welfare reported **SB 140**, with Committee Substitute and Committee Amendment attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

SB 140, AN ACT relating to a voluntary acknowledgment-of-paternity registry.

WHEREAS, in Kentucky in 2005, there were 2,040 children in out-of-home care with the goal of adoption, but only 584 had judgments for the termination of parental rights of both parents; and

WHEREAS, the Kentucky Auditor of Public Accounts found that lengthy termination-of-parental-rights proceedings are the most significant cause of delays in the adoption process and recommended that the Cabinet for Health and Family Services study the effectiveness of birth father registries; and

WHEREAS, the Kentucky Blue Ribbon Panel on Adoptions, which was convened by the Cabinet for Health and Family Services, recently reviewed the process leading to the termination of parental rights and the adoption of children in the state's child welfare system and recommended changes in the judicial process; and

WHEREAS, according to the U.S. Department of Health and Human Services, at least 23 states, including Indiana, Ohio, and Tennessee, have statutes establishing putative father registries; and

WHEREAS, a voluntary acknowledgment-of-paternity registry could give the birth father an opportunity to protect his parental rights without having to rely upon either the adoptive parents or the birth mother for his information; and

WHEREAS, a voluntary acknowledgment-of-paternity registry could assure the birth mother and the adoptive parents that the adoption will not be disrupted because an unknown father or a father whose whereabouts are not known later appears on the scene; and

WHEREAS, a voluntary acknowledgment-of-paternity registry could create a more appropriate assumption of responsibility by the putative father because he has to take responsibility for protecting his own rights; and

WHEREAS, it is crucial that the Kentucky General Assembly ensure the safe and timely permanent placement of children, while protecting their rights and the parental rights of biological and adoptive parents;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Cabinet for Health and Family Services is hereby directed to appoint a panel and provide for any necessary expenses of the panel to evaluate the issues related to establishing and implementing a voluntary acknowledgment-of-paternity registry in the Commonwealth. The panel may be composed of members of the Blue Ribbon Panel on Adoption. The purpose of the registry shall be to record contact information for a man who wants to voluntarily claim that he may have fathered a child to whom he may claim paternity and that he wants to be notified in the event of an action to terminate parental rights or for leave to adopt the child. The goal of the registry shall be to facilitate the permanent placement of children who may otherwise experience extended temporary placements and to protect the rights of biological fathers who desire to establish paternity and take responsibility for a child. The issues to be evaluated shall include but not be limited to the following:

- (1) The administration of the registry by the Cabinet for Health and Family Services, including the registration forms, maintenance of information, procedures for requesting a registry search, the cost of operating a registry, and any fees that may be established for conducting a search;
- (2) Public notice of the registry, including where and how to register, circumstances under which registration may be required, and the consequences of registration;
- (3) Time frames for registering, notifying a registered man that he has been identified on a registry search, and filing an affidavit of paternity in order to retain parental rights;
- (4) Means by which a man may revoke his registration;
- (5) A requirement for the mother of a child to attempt to notify a birth father, if known to her, that a petition for the termination of parental rights or adoption of the child has been filed;
- (6) Limitations and confidentiality of a request for a search of the registry and the results of the search;
- (7) Requirements that an affidavit of a registry search be filed with a petition for the termination of parental rights or adoption;
- (8) The provision of registration forms and instructional information by local registrars;
- (9) The provision of information about the registry to be provided by hospitals;
- (10) Requirements to notify an identified registered father in an action to terminate parental rights or adoption;
- (11) The possible benefits of the registry for expediting the permanent placement of children;
- (12) Possible unintended consequences of implementing the registry, such as hindering the placement of children with paternal relatives or infringing on a biological father's paternal rights; and
- (13) The experiences and successes of other states that have implemented a similar paternity registry.

Section 2. The Cabinet for Health and Family Services shall report on findings of the evaluation by the panel to the Interim Joint Committee on Health and Welfare by December 31, 2007. The report shall include but not be limited to recommendations on the need for and feasibility of a voluntary acknowledgment-of-paternity registry and any legislation that may

be necessary to implement the registry.

The House Committee Substitute to SB 140 is as follows:

The fee for counsel for a parent shall be fixed by the court and shall not exceed five hundred dollars (\$500) and shall be paid by the petitioner. The clerk of the court shall arrange for service on all parties as provided on the petition, including the local representative of the Cabinet for Health and Family Services, of the order appointing counsel for the parent.

(3) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision either:

If the time frame is waived by the parent under this paragraph, the temporary removal hearing shall be held no later than five (5) working days after the dates required in this subsection; and
- (b) In cases commenced by the filing of a petition, within ten (10) days of the date of filing.

(2) Prior to the commencement of the temporary removal hearing:

(a) The court shall appoint counsel for the child who shall act as a guardian ad litem to represent the best interests of the child and who may communicate the child's wishes to the court. For good cause, the court may allow hearsay evidence. The Commonwealth shall bear the burden of proof by a preponderance of the evidence and if the Commonwealth should fail to establish same, the child shall be released to or retained in the custody of his parent or other person exercising custodial control or supervision.

When it is necessary to appoint counsel, the District Court shall endeavor to appoint private counsel, if available, to represent respondents, from a list of attorneys who have volunteered to represent such respondents. The list shall be maintained by the District Court clerk. Private counsel appointed by the court shall be compensated in the manner set forth in subsection (2) of Section 4 of this Act ~~[620.100(1)(a)]~~. If no other method of appointing counsel for the respondent is available, the respondent shall be represented by the public advocate pursuant to KRS Chapter 31.

Section 11. (1) The General Assembly finds and declares the following:

- (a) In Kentucky in 2005, there were 2,040 children in out-of-home care with the goal of adoption, but only 584 had judgments for the termination of parental rights of both parents;
- (b) The Kentucky Auditor of Public Accounts found that lengthy termination-of-parental-rights proceedings are the most significant cause of delays in the adoption process and recommended that the Cabinet for Health and Family Services study the effectiveness of birth father registries;
- (c) The Kentucky Blue Ribbon Panel on Adoptions, which was convened by the Cabinet for Health and Family Services, recently reviewed the process leading to the termination of parental rights and the adoption of children in the state's child welfare system and recommended changes in the judicial process;
- (d) According to the U. S. Department of Health and Human Services, at least 23 states, including Indiana, Ohio, and

Tennessee, have statutes establishing putative father registries;

(e) A voluntary acknowledgment-of-paternity registry could give the birth father an opportunity to protect his parental rights without having to rely upon either the adoptive parents or the birth mother for his information;

(f) A voluntary acknowledgment-of-paternity registry could assure the birth mother and the adoptive parents that the adoption will not be disrupted because an unknown father or a father whose whereabouts are not known later appears on the scene;

(g) A voluntary acknowledgment-of-paternity registry could create a more appropriate assumption of responsibility by the putative father because he has to take responsibility for protecting his own rights; and

(h) It is crucial that the Kentucky General Assembly ensure the safe and timely permanent placement of children, while protecting their rights and the parental rights of biological and adoptive parents.

(2) The Cabinet for Health and Family Services is hereby directed to appoint a panel and provide for any necessary expenses of the panel to evaluate the issues related to establishing and implementing a voluntary acknowledgment-of-paternity registry in the Commonwealth. The panel may be composed of members of the Blue Ribbon Panel on Adoption. The purpose of the registry shall be to record contact information for a man who wants to voluntarily claim that he may have fathered a child to whom he may claim paternity and that he wants to be notified in the event of an action to terminate parental rights or for leave to adopt the child. The goal of the registry shall be to facilitate the permanent placement of children who may otherwise experience extended temporary placements and to protect the rights of biological fathers who desire to establish paternity and take responsibility for a child. The issues to be evaluated shall include but not be limited to the following:

(a) The administration of the registry by the Cabinet for Health and Family Services, including the registration forms, maintenance of information, procedures for requesting a registry search, the cost of operating a registry, and any fees that may be established for conducting a search;

(b) Public notice of the registry, including where and how to register, circumstances under which registration may be required, and the consequences of registration;

(c) Time frames for registering, notifying a registered man that he has been identified on a registry search, and filing an affidavit of paternity in order to retain parental rights;

(d) Means by which a man may revoke his registration;

(e) A requirement for the mother of a child to attempt to notify a birth father, if known to her, that a petition for the termination of parental rights or adoption of the child has been filed;

(f) Limitations and confidentiality of a request for a search of the registry and the results of the search;

(g) Requirements that an affidavit of a registry search be filed with a petition for the termination of parental rights or adoption;

(h) The provision of registration forms and instructional information by local registrars;

(i) The provision of information about the registry to be provided by hospitals;

(j) Requirements to notify an identified registered father in an action to terminate parental rights or adoption;

(k) The possible benefits of the registry for expediting the permanent placement of children;

(l) Possible unintended consequences of implementing the registry, such as hindering the placement of children with paternal relatives or infringing on a biological father's paternal rights; and

(m) The experiences and successes of other states that have implemented a similar paternity registry.

(3) The Cabinet for Health and Family Services shall report on findings of the evaluation by the panel to the Interim Joint Committee on Health and Welfare by December 31, 2007. The report shall include but not be limited to recommendations on the need for and feasibility of a voluntary acknowledgment-of-paternity registry and any legislation that may be necessary to implement the registry.

Surface coal mining operations on lands eligible for remining shall not affect the eligibility of those lands for reclamation and restoration under this chapter after the release of the bond or deposit for a remining operation as provided under KRS 350.093. In the event the bond or deposit for a surface coal mining operation on lands eligible for remining is forfeited, funds available under this chapter may be used if the amount of the bond or deposit is not sufficient to provide for adequate reclamation or abatement, except that if conditions warrant the cabinet shall immediately exercise its authority under KRS 350.585.
- (2) If the cabinet determines that the reclamation priority, under the priorities of KRS 350.555(1) and (2), of a site is the same or more urgent than the priority of sites under subsection (1) of this section, the following sites shall also be eligible for reclamation or drainage abatement expenditures:
 - (a) Unreclaimed sites which were mined for coal or which were affected by coal mining, waste banks, coal processing, or other mining processes and left in an inadequate reclamation status during the period beginning August 4, 1977, and ending May 18, 1982, for which the bond, or other form of financial guarantee, was insufficient to provide adequate reclamation or abatement of the site; or

- (3) Sites under subsection (2) in the immediate vicinity of a residential area or which have an adverse economic impact upon a local community shall be given priority.
- (4) ~~[Up to thirty percent (30%) of the]~~Funds allocated to the Commonwealth through annual grants from the Secretary of the Interior may be expended for the purposes of protecting, repairing, replacing, constructing, or enhancing facilities relating to water supply, including water distribution facilities and treatment plants, to replace water supplies adversely affected by coal mining practices. If the adverse effect on water supplies referred to in this subsection occurred both prior to and after August 3, 1977, subsections (1) and (2), above, shall not be construed to prohibit use of funds for the purposes of this subsection, if the adverse effects occurred predominantly prior to August 3, 1977.

coal mining practices on privately owned land, the cabinet shall itemize the moneys so expended and may file a statement thereof in the office of the county in which the land lies which has the responsibility under local law for the recording of judgments against land, together with a notarized appraisal by an independent appraiser of the value of the land before the restoration, reclamation, abatement, control, or prevention of adverse effects of past coal mining practices if the moneys so expended shall result in a significant increase in property value. Such statement shall constitute a lien upon the said land. The lien shall not exceed the amount determined by the appraisal to be the increase in the market value of the land as a result of the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices. No lien shall be filed against the property of any person, in accordance with this section, ~~who owned the surface prior to May 2, 1977, and~~ who neither consented to nor participated in nor exercised control over the mining operation which necessitated the reclamation performed hereunder. The cabinet may waive the lien consistent with its regulations.

- (2) The landowner may proceed as provided by local law to petition within sixty (60) days of the filing of the lien, to determine the increase in the market value of the land as a result of the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices. The amount reported to be the increase in value of the premises shall constitute the amount of the lien and shall be recorded with the statement herein provided. Any party aggrieved by the decision may appeal as provided by local law.
- (3) The lien provided in this section shall be entered in the county office in which the land lies and which has responsibility under local law for the recording of judgments against land. Such statement shall constitute a lien upon the said land as of the date of the expenditure of the moneys and shall have priority as a lien second only to the lien of real estate taxes imposed upon said land.

Section 202. KRS 186A.055 is amended to read as follows:

The Department of Vehicle Regulation, in cooperation with the Department of Kentucky State Police, shall ensure that the automated vehicle registration and titling system provided for by this chapter will be designed, equipped, and operated so that, under normal conditions, the system will withhold production of a certificate of title until the vehicle identification number of a vehicle for which a title is sought, and when present, its license number has been automatically compared against the Law Information Network Kentucky (LINK) and, unless it refuses to permit such an arrangement, the National Crime Information Center (NCIC) computerized listing of vehicles reported stolen, and a "no stolen report" or its equivalent is received.

Section 203. KRS 186A.060 is amended to read as follows:

The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. When possible, the title document itself shall be used as the primary form used to effect a transfer of vehicle ownership. When no in-state title exists, then forms shall be designed by the department that require only the appropriate and essential information to effect the application for title. The department shall constantly review the information needs of government agencies and other organizations with the goal of reducing, or eliminating, unnecessary documentation. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal, except that an applicant for a motor vehicle title shall not be required to provide his or her social security number as part of the application process. The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation. Any person who knowingly enters, or attests to the entry of, false or erroneous information in pursuit of a certificate of title shall be guilty of forgery in the second degree.

- (a) The certificate of title was fraudulently procured or erroneously issued; or
 - (b) The vehicle has been scrapped, dismantled or destroyed. Suspension or revocation of a certificate of title does not, in itself, affect the validity of a security interest noted on it.
- (2) When the Department of Vehicle Regulation suspends or revokes a certificate of title, the owner or person in possession of it shall, immediately upon receiving notice of the suspension or revocation, mail or deliver the certificate to the Department of Vehicle Regulation.
 - (3) The department shall promptly notify the Department of Kentucky State Police of the suspension or revocation of any certificate of title.

The abstracts shall not be admissible as evidence in any action for damages or criminal proceedings arising out of a motor vehicle accident. The certified abstract shall not include accident reports filed with the Department of Kentucky State Police under KRS 189.635, and shall not include suspension orders of a student who has had his or her operator's license, permit, or privilege to operate a motor vehicle revoked or denied for being academically deficient pursuant to KRS 159.051 if the suspension has been lifted by the reinstatement of academic eligibility pursuant to KRS 159.051. The cabinet shall not furnish to any person the accident report of a driver other than himself or herself. This section shall in no way preclude the right of any court of law, law enforcement officer, or attorney representing the individual affected from securing full and complete information concerning the record of that individual.
- (3) Insurance companies issuing motor vehicle policies in the Commonwealth shall be prohibited from raising a policyholder's rates solely because the policyholder has a dependent whose license has been revoked or denied for being academically deficient pursuant to KRS 159.051.

- (b) In the event an operator fails to notify or is incapable of notifying a public safety answering point, law enforcement agency, or law enforcement officer having jurisdiction, the responsibility for reporting the accident within a reasonable amount of time shall rest with the owner of the vehicle or any occupant of the vehicle at the time of the accident, if the owner or occupant is physically capable of doing so, has in his or her possession a functioning communications device with which to do so, and, in the case of the owner, knows of the motor vehicle accident. A law enforcement officer having jurisdiction shall investigate the accident and file a written report of the accident with the officer's agency.

- (2) From the closest telephone available, the same employee shall alert the state building administrator or the person designated in the state building's "Code Adam" plan, who shall then notify the occupants of the state building through the loudspeaker system or through any other fast and effective means of communication that "Code Adam" has been activated;
- (3) The employee shall escort the parent, tutor, or guardian to the main door of the state building to help in identifying the child;
- (4) Persons designated by the administrator shall monitor all state building exits to ascertain that the minor does not leave the state building without the parent, tutor, or guardian. In addition, two (2) or more employees, as may be necessary, shall be assigned to search the parking areas of the state building. This process shall not entail the closing or locking of any door of the state building;
- (5) Any child, or person with a child, leaving the state building shall be asked to go through the main exit previously designated by the administrator. If, once there, the child or person wishes to leave the state building, he or she shall be allowed to do so after it has been determined that the minor who is leaving is not the child being searched for and that the person with the minor is the parent, tutor, or guardian of the child, and the person presents a government-issued photo identification;
- (6) After "Code Adam" has been announced through the state building's loudspeaker system or through any other fast and effective means of communication, the employees shall search throughout the entire state building, and at least two (2) employees, or more as deemed necessary, shall be assigned to each floor to certify that the minor is not present. Employees who are directly serving a member of the public at that time and employees who have been previously excluded by the administrator shall not be compelled to participate in the search;
- (7) If the minor is found unharmed and appears to have been simply lost or missing in the state building, the child shall be immediately taken to the parent, tutor, or guardian;
- (8) If the minor is found in the company of any person other than the child's parent, tutor, or guardian, any reasonable means shall be taken to delay the exit of the child and the person with whom the child was found from the state building until a peace officer arrives, the child and the person with whom the child is found both are properly identified, and the circumstances of the situation are determined;
- (9) If the minor is not found within a ten (10) minute period, the state building administrator shall notify a state or local law enforcement agency that a child is lost or missing and provide the information then known about the lost or missing child. The law enforcement agency shall respond to the scene and shall take control of the incident. The law enforcement agency may request that the local search and rescue coordinator provide additional resources to search for the lost or missing child. The law enforcement agency and the local dispatch center shall take the actions required by KRS 17.450, 17.460, and 39F.180;
- (10) Upon the location of the lost or missing child or the arrival of a peace officer from the law enforcement agency which was

notified of the lost or missing child, whichever occurs earlier, the state building administrator shall cause an announcement of the ending of the "Code Adam" by the state building loudspeaker or other fast and effective means of communication; and

- (11) Upon the ending of the "Code Adam," the state building administrator shall prepare three (3) copies of a report of the incident, which shall:

- (7) Provide an annual report to the Governor, the Department of Kentucky State Police, the Legislative Research Commission, and the General Assembly on each "Code Adam" within the Commonwealth during the previous calendar year and the results of each "Code Adam" incident. The annual report shall be a public record and shall not include the name or other identifying information, other than gender and age, of the child; and
- (8) Promulgate administrative regulations necessary for the implementation of the "Code Adam" program as required by KRS 199.013 to 199.010.

- (3) During a certified adoptive or foster home's annual reevaluation, the Cabinet for Health and Family Services may require a background investigation for each adult household member of the certified adoptive or foster home under subsections (1) and (2) of this section.
- (4) The Cabinet for Health and Family Services shall promulgate an administrative regulation to implement this section.

Section 240. KRS 199.473 is amended to read as follows:

- (1) All persons other than a child-placing agency or institution, the department, or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child.
- (2) Prior to the approval of an application to place or receive a child, the fee required pursuant to subsection (13) of this

section shall be paid and a home study shall be completed. The purpose of the home study shall be to review the background of the applicant and determine the suitability of the applicant to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made.

- (3)
 - (a) The home study shall be made in accordance with administrative regulations promulgated by the cabinet in accordance with KRS Chapter 13A.
 - (b) The cabinet shall conduct the home study for an applicant whose total gross income is equal to or less than two hundred fifty percent (250%) of the federal poverty level guidelines issued each year by the federal government, unless the applicant submits a written request for the home study to be conducted by a licensed child-placing agency or institution. Upon request, the cabinet shall make information available to an applicant who does not meet the requirements of this paragraph to assist the applicant in obtaining a home study from a licensed child-placing agency approved to provide adoption services.
 - (c) A licensed child-placing agency approved to provide adoption services shall conduct the home study for an applicant whose gross total income is more than two hundred fifty percent (250%) of the federal poverty level guidelines issued each year by the federal government.
 - (d) Calculation of family size for this subsection shall include each child requested to be adopted.
 - (e) The portion of the home study pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker.
- (4) The adoption worker making the home study shall make a finding in writing recommending either that the application be granted or that the application be denied. The recommendation of the adoption worker shall then be reviewed by the secretary.
- (5) Based on the report and recommendation of the adoption worker making the home study, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching a decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint.
- (6) If the application is refused, the secretary shall in general terms furnish in writing the reasons for his or her refusal.
- (7) Any person who seeks temporary custody of a child prior to the secretary's ruling on an application for adoption shall file a petition seeking temporary custody, with a notice of intent to adopt, with the Circuit Court that will have jurisdiction of the adoption proceedings. The clerk of the court shall send a notice of the filing of the petition to the cabinet. A hearing on the petition shall occur no later than seventy-two (72) hours after the filing of the petition, excluding weekends and holidays. Proceedings under this subsection shall be incorporated into the court's adoption file. If the adoption is not finalized within six (6) months of the filing of the petition and notice of intent, the court shall conduct a hearing on the status and custody of the child.
- (8) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. Temporary custody shall not be granted to an applicant unless a background check, including but not limited to a criminal records check by the Justice and Public Safety Cabinet or the Administrative Office of the Courts and a background check of child abuse and neglect records maintained by the cabinet, has been submitted to and reviewed by the court. The background check required for temporary custody shall be part of the home study required under subsection (2) of this section. If the application is denied by the secretary, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.
- (9) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent.
- (10) The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.
- (11) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home

without the court's review of the background check required under this section or the permission of the secretary for health and family services, or if permission to receive a child has been denied, a representative of the cabinet shall notify in writing or may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.

- (12) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.
- (13) The secretary of the Cabinet for Health and Family Services shall be paid a nonrefundable fee of two hundred dollars (\$200) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.
- (14) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 241. KRS 205.177 is amended to read as follows:

If this assessment indicates the presence of substance abuse risk factors, the court may order as a condition of eventual release that the person:

If the person is successful, the person shall be eligible for entry into the pretrial diversion program under the same terms, conditions, and limitations as a Class D felon. This provision waves the Class D felony limitation contained in subsection (1)(a) of Section 5 of this Act, but does not waive any other precondition or requirement for entry, including the ten (10) year look-back provision of that same subsection.

Section 6. KRS 532.120 is amended to read as follows:

 - (b) If the sentences run consecutively, the maximum terms are added to arrive at an aggregate maximum term equal to the sum of all the maximum terms.
- (2) A definite sentence of imprisonment commences when the prisoner is received in the institution named in the commitment. When a person is under more than one (1) definite sentence, the sentences shall be calculated as follows:

- ~~(6) As used in subsections (3) and (4) of this section, time spent in custody shall include time spent in the intensive secured substance abuse recovery program created in Section 1 of this Act and may include, at the discretion of the sentencing court, time spent in a different residential substance abuse treatment or recovery facility pursuant to Section 3 or 4 of this Act if, under each option allowed by this subsection, the person has successfully completed the program offered by the intensive secured substance abuse recovery program or the residential substance abuse treatment or recovery facility.~~

Section 7. Whereas the citizens of Kentucky face a present and ongoing danger as the result of substance abuse-driven crime and the provisions of this Act offer relief from that danger, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

The House Committee Substitute to SB 34 is as follows:

WHEREAS, with the upcoming availability of new treatment facilities and programs and with the experience gained from drug courts, the Commonwealth is prepared to implement a more aggressive and effective response to the threat to public health and safety created by persons with severe substance abuse addictions; and

WHEREAS, over 80% of the persons involved in the Kentucky Criminal Justice System are there as a result either directly or indirectly of drug abuse;

NOW, THEREFORE,

However, that departure shall constitute a material breach of the person's abeyance agreement or pretrial diversion agreement.~~
- ~~(4) The department shall locate the program in a secure facility with security standards comparable to those found in a minimum security penal facility operated by the department.~~
- ~~(5) The program shall be capable of concurrently housing no fewer than two hundred (200) persons. The department shall have regulatory authority, when the program is at or near capacity, to prioritize admissions to the program.~~
- ~~(6) The program's recovery component shall be designed to serve the committed person's substance abuse condition, and to provide the person with the skills and training needed to prevent the person from engaging in substance abuse upon release from the program. The program shall provide each person leaving the program with an aftercare plan, which shall include a referral to a local substance abuse provider possessing the capability of providing a level of continuing substance abuse care appropriate to the released person's needs. In designing the program, the department shall consult with and may contract with the Division of Mental Health and Substance Abuse Services.~~

- (2) The Supreme Court may by appropriate rule or order establish and provide for such pretrial investigation and release services including, where practical, the taking of financial statements, and the court's determination of whether a person is a needy person as provided in KRS 31.120.

SECTION 3. A NEW SECTION OF KRS 431.510 TO 431.550 IS CREATED TO READ AS FOLLOWS:

When considering the pretrial release of a person charged with a felony offense under KRS Chapter 218A or a person charged with a felony offense where the person's record indicates a history of substance abuse, the court's pretrial release investigation and services office shall assess the person for substance abuse risk factors. If this assessment indicates the presence of substance abuse risk factors, the court may order as a condition of release that the person:

- (1) Undertake any testing ordered by the court under KRS 431.520 or 431.525;
- (2) Participate in an additional assessment of the person's condition by appropriate court personnel;

SECTION 4. A NEW SECTION OF KRS 533.250 TO 533.260 IS CREATED TO READ AS FOLLOWS:

 2. Class C felony offenses when the offense is committed against a person, except for offenses under KRS Chapter 218A; or

(f) Prior to entry into the program, defendants who have been charged with a felony offense under KRS Chapter 218A or who have been charged with a felony offense and whose record indicates a history of substance abuse shall demonstrate suitable compliance with the terms of a substance abuse treatment or recovery program.

(g) The program may include as a component referral to the intensive secure substance abuse treatment program created under Section 1 of this Act for persons charged with a felony offense under KRS Chapter 218A and persons charged with a felony offense whose record indicates a history of substance abuse who have not previously been referred to the program under Section 4 of this Act.

Unless the fee is waived by the court in the case of indigency, the fee shall be assessed against each person placed in the diversion program. The fee may be based upon ability to pay.

Section 6. KRS 532.120 is amended to read as follows:

- (4) If a person has been in custody due to a charge that culminated in a dismissal, acquittal, or other disposition not amounting to a conviction, the amount of time that would have been credited under subsection (3) of this section if the defendant had been convicted of that charge shall be credited as provided in subsection (3) of this section against any sentence based on a charge for which a warrant or commitment was lodged during the pendency of that custody.
